2016 DRIVE-IN SPECIAL

**GreenMeadow Golf Club's season officially
started with the annual drive-in held on
Saturday 2nd April**

New Club Captain, Scott Tovey and Ladies' Captain, Fran English, pictured above, were well supported with more than 80 members braving the early-morning rain for an 8.30am shotgun start. Thankfully, the rain stopped after a few holes and the sun shone for the actual drive-in.

As you can see, Scott was rather pleased with his drive - or maybe he was describing how big a fish he had caught!

Fran had an equally impressive drive, cheered on by the many members, friends and family who came along to support the Captains.

Earlier in the week, the new Senior Section Captain, Chris Jenkins, had his drive-in. The competition held before his drive-in was won by Dave Beck, second was Chris, and third Jeff Lewis.

There seemed to be a common theme this year, with all three Captains taking a share of the prizes in the drive-in competitions.

Senior Section Captain Chris came second in his drive-in competition and Scott and Fran decided to go one better winning their drive-in Texas Scramble, ably assisted by Mike Nightingale and Chris Field, pictured left

Second were the team of Nicky Pattimore, Paul Williams, Wayne Thomas and Josh Evans and third were Dan Needs, Helen Rogers, Daniel Francis and Max Samuels.

Club Captain Scott pictured with Senior Section Captain, Chris, at the Senior Section Drive-in.

The day's events were finalised with the now traditional yard of ale.

Vice Captain Julian Richardson, pictured on the right, presented Scott with the infamous yard of ale.

It was fair to say that Scott did take his time sinking the yard of ale, much to the amusement of the watching crowd, but at least he didn't spill any of it!
