Captains Drive-in

On Saturday April 6th Greenmeadow captain Steve Browning celebrated his drive-in. Members gathered early and played a Texas scramble during the morning, retired to the bar for some recuperation then gathered on the 15th tee to see him 'drive-in'.

Steve's drive was an excellent one clearing the pond with ease. The annual closest to the captain's drive was won by Ian Lippiatt.

Ladies Captain Helene Day and Junior Captain Alex Morgan also delivered successful drives.

The morning competition was a Texas scramble. Eighty two members turned out and played in teams that were drawn by the captain. The scoring was extremely good with the first prize going to the team consisting of Adam Draper, Paul Williams, Max Samuels and Pat Thomas.

Following the drive in Steve took on the traditional yard of ale. Vice-captain Neil Pardoe hands Steve his yard of Guinness!!! And as we can see he successfully completed the task, well done Mr. Captain.

2018 Seniors captain John Woods presenting some of the prizes to the senior winners from last year. This occurred on Thursday March 23rd his last duty before handing the reins over to 2019 captain Yoan Price.
