RECORD YEAR FOR GREENMEADOW GOLF CLUB

2023 has been a momentous year for GreenMeadow Golf and Country Club. Our junior team represented the club at the Junior Team Golf Home Nations in Cheshire this April. The players and parents had a fantastic few days away representing the club, we are very proud of what they have achieved in such a short amount of time.

James Palfrey saw a dream come true by receiving a prestigious invitation to the US Kids World Teen Championships in July 2023, at one of the worlds most outstanding courses in Pinehurst, North Carolina, USA. He finished tied 86th in a field of 150 for his age category and shot the 22nd best total score for his 3 rounds.

GreenMeadow's commitment to raising funds in aid of Ty Hafan Children's Hospice, has generated significant support throughout the year, comprising of the Ladies Charity Fun Day on 4th June, followed by the Club Charity Day on 2nd July and one of our biggest challenges the 72 Hole Comp, organised by Vice Captain Mr Mike Stuart on 21st June.

Overall the club has managed to raise in excess of £10,000 to support Ty Hafan, year to date.

We have seen some outstanding performances this year and this was celebrated on Friday 20th October at the club awards ceremony. Winners included Lee Fletcher for the Colin Hill Cup, James Drury and Cody Jones for Italian Cup Juniors, Clive Dobbs for Captain's Day Seniors and Chris Morris for Anniversary Cup Ladies, plus many more.

The evening was finished off with awards for the most prestigious competition for our Juniors, Ladies and Men - the Club Championship. The top two for each of the knockout competitions play for the title over 36 holes on Finals Day.

Club Champions

Junior James Drury, Ladies' Ceri-Ann Davies and Mens Ben Rogers

Winners from all main competitions are now on the board in the clubhouse.

2023 HIGHLIGHTS FROM THE LADIES TEAM

Ceri Ann Davies, Helen Rogers and Sara Goode represented Greenmeadow and played for the Monmouthshire Ladies County 2nd team, in Peterstone Lakes golf club, against Glamorganshire County Team.

The ladies Captain away weekend was held in the Gower golf Club in June, 18 ladies playing, Ceri Ann Davies taking the overall prize, great fun had by all.

It's been another successful year for the ladies league teams, both teams finished top of their respective divisions and have secured promotion for the 2024 season.

The first team have been promoted for the 3rd consecutive year and will now play in Division 3 East and the second team have been promoted for the 2nd consecutive year and have moved up to Division 6 East. Well done to all on this fantastic achievement.
